Coonley Playhouse Pattern Book Dennis J. Casey

The Coonley Playhouse windows are the most recognizable and the most popular of all Wright's window designs. This new pattern book describes in detail these windows. It contains forty-two pages of drawings, detailing 39 original art glass windows from the Coonley Playhouse. Windows are shown in full color along with a detailed construction drawing of each. Architectural drawings of the building include a plan view and several elevations showing window locations in color. A bibliography and a source for materials are included.

A Coonley Playhouse window was used as the basis for his grave marker in the Jones family cemetery near Taliesin in Spring Green, Wisconsin.... "
