On Becoming a Real Man Edwin Louis Cole

This is an excellent book and I haven't even finished it yet. This is the 7th book in a series of 9. Dr Cole is right on time with the information included in all of his books. There is not a day goes by that I dont reflect back on something I learned in these books. The books are worth ten times what you pay for them based on the data received from them. I can only wish I found this curriculum earlier, it could have saved my marriage.
