**On Lies, Secrets, and Silence: Selected Prose 1966-1978** Adrienne Rich

**In this collection of prose writings, one of America's foremost poets and feminist theorists reflects upon themes that have shaped her life and work.**

At issue are the politics of language; the uses of scholarship; and the topics of racism, history, and motherhood among others called forth by Rich as "part of the effort to define a female consciousness which is political, aesthetic, and erotic, and which refuses to be included or contained in the culture of passivity."
