Rum Punch Jenny Hewkin

Rum Punch is a cocktail of sex, relationships, deception and money stirred with designer heels and posh frocks and shaken with a touch of love and romance poured into the pages of a novel set on a Caribbean cruise where dreams come true or fade into reality. With its hors d'oeuvres of laughter and tears the combination will satisfy the appetite of the reader who enjoys a compulsive page turning story.

Throw in a lottery winner, a gold digging womanizer, a couple on the verge of a life changing decision and a young girl naive to the ways of the world and the wardrobe, mix with an aspiring model and a millionairess and the scene is set.
