The Hidden Power of the Gospels: Four Questions, Four Paths, One Journey Alexander, PhD Shaia, Michelle Gaugy

In the tradition of Thomas Moore's *The Care of the Soul* and Don Miguel Ruiz's *The Four Agreements*, Alexander Shaia's *The Hidden Power of the Gospels* reveals how the recurring cycles of change, loss, enlightenment, and maturation are illuminated by the Bible's four gospels. Combining ancient Christian traditions, anthropology, and modern psychology, he reveals how each gospel focuses on a vital spiritual question. Matthew begins with How do we face change? Mark faces the hard question of How do we move through suffering? John stirs and elevates the soul as he asks, How do we receive joy? And Luke moves forward on the practical journey, as he inquires, How do we mature in service? By using this lens, the gospels become practical guides for creating faith-filled lives and a map for our never-ending spiritual journey.
