Lucky for Chloe Flynt, everyone knows it's easier to get out of a bad relationship than it is to get in one. But when it comes to hot, steamy, long-lasting passion, even Chloe is at a loss--until this British playgirl comes face to face with a true-blue Texas cowboy who tempts her to toss away her commitment-phobic habits once and for all to join him for a walk down the aisle. . .

## **Falling in love is much harder than breaking up. . .**

With three broken engagements under her oh so fashionable belt, it's high time London party girl Chloe Flynt gets a job. Unfortunately, Chloe isn't exactly qualified for anything, except dumping a Mr. Wrong or two (or three!) with a little dignity. Realizing she needs a new beginning, she lands in Austin, Texas, and opens a company helping other people do the dirty work of breaking up. . .

Too bad Chloe's tall, tough-talking, and take-charge landlord, Matthew Tanner, isn't interested in her expertise. Because anyone can see that his girlfriend is clearly all wrong for him. Not that Chloe cares. She and Matthew have nothing in common--other than that mind-blowing attraction, that is. But when his girlfriend requests Chloe's services, all hell breaks loose. If there's one thing Chloe knows for sure, it's that just because she's good at breaking up bad relationships doesn't mean she has a talent for putting together good ones. Maybe it's finally time she gives it a try. . .
