Our Troth is the single most comprehensive book available on the reborn religion of Heathenry -- the pre-Christian religion of the Germanic peoples. First published in 1993 but out of print for years, Our Troth is back in print, featuring updates and additions from its original compiler, Kveldulf Gundarsson, and from many other Heathen writers, all edited by well-known author Diana L. Paxson. Volume 2 covers the Heathen holy year, lore and rites for the major holidays, and ways to work Heathenry into every facet of life. It includes an extensive glossary and reading list for further study.
