Sookie Stackhouse is a small-town cocktail waitress in small-town Louisiana. She's pretty. She does her job well. She keeps to herself with only a few close friends, because not everyone appreciates Sookie's gift - she can read minds. This extraordinary ability makes her slightly undateable... but then along comes Bill. He's tall, dark and handsome but he's fussy about his food, he doesn't like suntans and he's never around during the day. Yup, he's a vampire! Worse than that, he hangs out with a seriously creepy crowd. Don't miss out on these action-packed supernatural mysteries, the books behind True Blood, the award-winning TV series that's taken the world by storm.
