James Fenimore Cooper

The American Democrat: Or Hints on the Social and Civic Relations (Classic Reprint) James Fenimore Cooper

This little work has been written, in consequence of its authors having had many occasions to observe the manner in which principles that are of the last importance to the happiness of the community, are getting to be confounded in the popular mind. Notions that are impracticable, and which if persevered in, cannot fail to produce disorganization, if not revolution, are widely prevalent, and while many seem disposed to complain, few show a disposition to correct them.

(Typographical errors above are due to OCR software and don't occur in the book.)
