Watchman Nee

The Latent Power of the Soul Watchman Nee

"For the word of God is living, and active, and sharper than any two-edged sword, and piercing even to the dividing of soul and spirit, of both joints and marrow, and quick to discover the thoughts and intents of the heart" (Heb. 4:12). The peril of the believer is to confuse the spirit for the soul and the soul for the spirit, and so be deceived into accepting the counterfeit of evil spirits to the unsettling of God's work. The greatest advantage in knowing the difference between spirit and soul is perceiving the latent power of the soul and in understanding its falsification of the power of the Holy Spirit. Such knowledge is not theoretical but practical in helping people to walk in God's way.

In this book, Watchman Nee shares his insight on The Latent Power of The Soul, The Christian and Psychic Force, and Spirit Force vs Psychic Force. Nowadays the atmosphere is so charged with the commotion of all kinds of counterfeit that the Lord seems to be calling the Church to come to a higher ground. Today's situation is perilous. May we "prove all things; hold fast that which is good" (1Thes. 5:21)
