May Sarton Margot Peters

From acclaimed writer Margot Peters comes the first, completely authorized biography of novelist, poet, and feminist May Sarton. Granted unprecedented access to personal papers and diaries, Peters gives us a compelling look at the woman who influenced a legion of readers with rich and intimate writings, and reveals the fascinating life that Sarton herself kept hidden.

Beginning with a young Sarton largely ignored by her parents, Peters traces the compulsive quest for recognition and artistic inspiration that would characterize most of Sarton's life. We witness her at nineteen as she chooses a life in the theater, only to discover later her real passion: writing. As her literary career takes shape, we watch her personal and professional struggles for acceptance, her intense relationships with such learned friends as Muriel Rukeyser and Louise Bogan, and her secret turmoil over her sexuality. But ultimately, we see Sarton begin to create in her works the image of a strong, independent woman who lived peacefully with solitude--an image that often contradicted the reality of her life.

From the Trade Paperback edition.

From reader reviews:

Brian Bottoms:

Throughout other case, little men and women like to read book May Sarton. You can choose the best book if you appreciate reading a book. As long as we know about how is important the book May Sarton. You can add know-how and of course you can around the world by a book. Absolutely right, mainly because from book you can learn everything! From your country till foreign or abroad you will find yourself known. About simple factor until wonderful thing it is possible to know that. In this era, we can easily open a book or even searching by internet system. It is called e-book. You should use it when you feel uninterested to go to the library. Let's learn.

Mary Sims:

Book is usually written, printed, or highlighted for everything. You can understand everything you want by a publication. Book has a different type. As we know that book is important thing to bring us around the world. Next to that you can your reading skill was fluently. A e-book May Sarton will make you to become smarter. You can feel more confidence if you can know about anything. But some of you think in which open or reading a new book make you bored. It is not necessarily make you fun. Why they are often thought like that? Have you trying to find best book or suitable book with you?

Eric Langley:

Nowadays reading books be than want or need but also turn into a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The details you get based on what kind of book you read, if you want drive more knowledge just go with training books but if you want really feel happy read one along with theme for entertaining for example comic or novel. The May Sarton is kind of book which is giving the reader unstable experience.

Terry Crabtree:

You may spend your free time to learn this book this publication. This May Sarton is simple bringing you can read it in the recreation area, in the beach, train and soon. If you did not possess much space to bring the printed book, you can buy the actual e-book. It is make you easier to read it. You can save the book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.
