Laura Maxwell appears to have it all – perfect career, perfect husband, perfect life. But how well do you really know the people around you? All it takes is one tiny crack to shatter the whole façade.

A series of accidents causes Laura to believe that someone is deliberately targeting her, trying to harm her. Fear starts to pervade every part of her life, affecting her work and her marriage, and she feels increasingly isolated.

If no one believes Laura's story, who will be there to protect her when her attacker closes in for the kill?
