The Wreck of the Titan Morgan Robertson

Once seen as a prediction of the sinking of the *Titanic*, this novella was written 14 years before that ill-fated event of 1912—now, on the centenary anniversary of the *Titanic's* sinking, the striking similarities can be examined again in this new edition

John Rowland, a disgraced former Royal Navy lieutenant, has taken employment as a lowly deck hand aboard the largest ship ever to have sailed, the *Titan*. One night in deep fog, the ship strikes a gigantic iceberg and sinks almost immediately. Written 14 years before the *Titanic's* sinking, this novella has been hailed in equal measures as a prophetic work and the work of pure coincidence. Certainly the similarities are striking: two unsinkable ships steam ahead in treacherous conditions, carrying privileged passengers, with insufficient lifeboats aboard.
