## **History of Slavery: An Illustrated History of the Monstrous Evil** Susanne Everett

*History of Slavery* tells the story of the development of slavery, describing the trans-Atlantic trade that brought 11 million slaves from Africa to the Americas in the course of 300 years and reviews the life of the slaves under the forcible subjugation and exploitation by other human beings. In strictly objective terms, this book deals with the historical controversies that have surrounded the study of slavery. Illustrated with over 300 pictures, including 40 in full color, drawn from archives around the world to highlight vital facets of the subject; it also includes eyewitness accounts and other documentary evidence that complement the text. The book also traces the history of the abolition movement, beginning in eighteenth-century England (one of the prime moves in establishing the slave trade in the fifteenth and sixteenth centuries). This humanitarian philosophy is now taken for granted (at least officially) by every nation on earth. The author, **Susanne Everett**, also reviews those societies that did not readily accept abolition - the Arabs, who ravaged East Africa for slaves until well into this century, the Belgians, who initiated a reign of terror in the Congo in the late nineteenth century, and the Southerners who struggled to preserve their dominant position through the confrontations of Civil Rights. The book concludes with a reminder that slavery remains a vital issue today. Slave labor was imposed by the Russians and Germans during the Second World War and there are isolated instances - in South America and parts of Africa - that require continued policing by Anti-Slavery Commission of the United Nations. *History of Slavery* is a comprehensive, thoroughly illustrated account of human bondage, and an essential volume for everyone concerned with society and man's part in it.
