**The Argumentative Indian: Writings on Indian History, Culture and Identity** Amartya Sen

In sixteen linked essays, Nobel Prize--winning economist Amartya Sen discusses India's intellectual and political heritage and how its argumentative tradition is vital for the success of its democracy and secular politics. *The Argumentative Indian* is "a bracing sweep through aspects of Indian history and culture, and a tempered analysis of the highly charged disputes surrounding these subjects--the nature of Hindu traditions, Indian identity, the country's huge social and economic disparities, and its current place in the world" (Sunil Khilnani, *Financial Times*, U.K.).
