## **The Politics of the Hunger Games** Jamey Heit

Set in the future dystopia of Panem, *The Hunger Games* trilogy follows the rise of a provincial rebellion against the wealthy and tyrannical "Capitol." As narrator and heroine, Katniss Everdeen comes to embody the hope of the long oppressed for a new order. During her journey some of our most urgent political questions are addressed. What does it mean to be a leader? Can the oppressed recover a political identity that affirms individual values and freedoms? Do the media necessarily corrupt political discourse?

This critical study of *The Hunger Games* explores novels in the context of how we think about the nature of politics, the value of the individual and the importance of political action. The author draws parallels between Panem and the Roman Empire, considering Herod's Massacre of the Innocents alongside Haymitch Abernathy's elusive political influence as mentor of tributes.

#### Corey Watts:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just small students that has reading's soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Politics of the Hunger Games can make you feel more interested to read.
