Claimed by the Highland Wolf (The Clan MacGregor Book 1) Stephanie Marks

As the doted upon daughter of the chief of Clan Gordon, Glenna had always been comforted by the knowledge that when it came time for her to wed she would be allowed to make a love match. But that was before word spread throughout the highlands that the savage and bloodthirsty clan chief, Alastair MacGregor, was on the move.

Shrouded in myth and cloaked in whispers, it was said that Alastair MacGregor was the devil himself. What else could explain the giant unnatural wolves at his command?

Now, betrayed by those closest to her, Glenna has found herself at The MacGregor's mercy. But as she uncovers the startling truth behind the legends, she finds herself battling an emotion more powerful than fear... Love.
