Ever wonder why we fell so hard for Fifty Shades of Grey?

In FALLING HARD FOR FIFTY, author A.C. Rose followed her own "fangirl" curiosity to take a deeper look at why many of us became so passionately addicted to the love story between Christian and Ana -- and what made Christian and Ana so addicted to each other!

Sure, we, like Ana, fell for Mr. Grey -- the brilliant, breathtakingly handsome, Alpha, self-made billionaire. His sexual skill and romantic devotion made us tingle. He's been melting panties around the planet for several years.

But there is "more." Woven into the story are brilliant enticements for all the senses and romantic situations to stir our hormones, grip our hearts, and capture our minds.

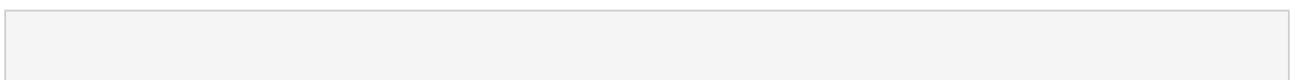

FALLING HARD FOR FIFTY takes a look at attraction, desire, and falling in love through the experience of Christian and Ana -- and traces the arousing roller coaster ride readers took right along with them. It takes a peek at what made the story and the characters come alive and seem so real.
