Accounting Best Practices

Steven M. Bragg

Accounting Best Practices Steven M. Bragg

Praise for previous editions of *Accounting Best Practices*

"For a comprehensive, yet easy-to-read guide to fixing those all-too-common shortcomings in your accounting department, look no further than this excellent book. Steve Bragg provides hundreds of fixes, many of them requiring surprisingly little time or cost while providing a handy guide to common implementation pitfalls. . . . I would recommend this invaluable book to anyone who is looking to enhance their existing processes, whether due to growth in their business, compliance with Sarbanes-Oxley, or just as part of their ongoing improvement process."

—**Martyn Webster**, CPA, Director of Finance, XenoPort, Inc.

"This book is critical to running an efficient and accurate accounting department. The use of RFID technology to track documents is one of many valuable tools in this latest edition. A required read for the demanding accounting manager's role."

—**Jason Charet**, CPA

"I've used Steve Bragg's *Accounting Best Practices* books for years as a source of ideas for improvement. Like previous editions, this edition has a number of new, actionable best practices as well as refinements of those ideas reported in previous editions. The books are broad enough in their perspective so that nearly any organization could find ideas that could pay back the cost of the book many times over."

—**John Temmerman**, Controller, Evangelical Lutheran Church in America

"What a great resource! I have been in the accounting field for over twenty years, and I was still able to gain insight into improving processes within my office. Thanks for putting it all in one book!"

—**Tina M. Thomas**, CPA, CTP, Controller, Goodman & Company, LLP

From reader reviews:

John Lee:

Why don't make it to become your habit? Right now, try to prepare your time to do the important action, like looking for your favorite publication and reading a reserve. Beside you can solve your trouble; you can add your knowledge by the reserve entitled Accounting Best Practices. Try to face the book Accounting Best Practices as your close friend. It means that it can to be your friend when you experience alone and beside that course make you smarter than ever. Yeah, it is very fortunated in your case. The book makes you much more confidence because you can know anything by the book. So , we should make new experience in addition to knowledge with this book.

Ezra Talbott:

The reason? Because this Accounting Best Practices is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will jolt you with the secret the item inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of rewards than the other book have got such as help improving your ability and your critical thinking way. So , still want to hold off having that book? If I have been you I will go to the guide store hurriedly.

Sam Richey:

Your reading 6th sense will not betray you actually, why because this Accounting Best Practices book written by well-known writer we are excited for well how to make book that may be understand by anyone who have read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your own hunger then you still hesitation Accounting Best Practices as good book but not only by the cover but also by the content. This is one guide that can break don't assess book by its deal with, so do you still needing a different sixth sense to pick that!? Oh come on your examining sixth sense already said so why you have to listening to yet another sixth sense.

Randall Rearick:

Many people spending their time by playing outside with friends, fun activity having family or just watching TV the whole day. You can have new activity to spend your whole day by looking at a book. Ugh, you think reading a book really can hard because you have to use the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Cell phone. Like Accounting Best Practices which is obtaining the e-book version. So , try out this book? Let's see.
