**Harder: A Stepbrother Military Romance** Sable Dare

**Nothing can get under his skin. Except for me.**

Jackson Cooper used to be a tough kid. Now he's a hard man - gorgeous, sculpted by his Army service and hungry for me.

**He's also my fucking stepbrother. And I can't keep my hands off of him.**

He's everything I ever wanted. And everything I can never have.

Not only am I engaged to marry the biggest prick in the world, the guy has me in a stranglehold. Not even Jackson's iron fists can solve this little fucking problem I created for myself. There's no running from the thugs who own this boondocks town.

But it's my fuck-up, so I'll deal with it, right? Wrong. My captor doesn't just want my hand, he wants everything. And I'm going to have to give it all up. Including Jackson.

Why did he have to come back? It would have been so much easier without him here.

Now things are fucked up as hell.

And I can't help but want them to be even harder.

**This is a standalone novel with a HEA ending and no cheating. Violence and steam go hand in hand in this book. If that's too much for you, maybe you need something softer.**
