## **Modern Parliamentary Procedure** Ray E. Keeseey

This book simplifies the traditional complex, overly technical rules of procedure. Free of the often misleading terminology and ill-advised complications of parliamentary orthodoxy, this classic manual is entirely compatible with accepted parliamentary procedures. Author Ray E. Keeseey presents models for more efficient democratic action by modernizing parliamentary terminology; presenting a simpler, more logical classification of motions; eliminating superfluous motions; and providing valuable ideas for the prevention and handling of disruptions. Ideal for associations, clubs, student groups, and other deliberative bodies seeking flexible, effective procedural rules.
