New Employee Orientation Roberta Westwood, Leanne Johnson

An effective new employee orientation program can mean the difference between a happy and committed employee and a disgruntled and non-productive employee. This *Infoline* will show you how to get the most value out of new employee orientation training. It guides you through the process of designing and redesigning your organization's new employee training program so that it immerses employees in the organization's culture. You'll also learn how to select the best blend of delivery methods for success and how to align orientation with your organization's culture.
