Pattern Making (Portfolio Skills) Dennic Chunman Lo

An introduction to the basic principles of pattern cutting, this practical book shows students how to interpret the human form and look at clothing through the eyes of a designer rather than a consumer. As well as explaining the proportions of human anatomy, the book introduces key tools and then takes the reader from simple pattern-cutting ideas to more advanced creative methods. Finally, the book looks at the work of fashion designers who are masters of pattern cutting, such as Comme des Garçons, John Galliano, Yohji Yamamoto and Issey Miyake. With photographs of final and dissected garments, along with CAD/CAM diagrams to explain how those pieces were cut, the book will gradually build an understanding of pattern cutting, and enable students to experiment and create exciting patterns for their own designs.

From reader reviews:

Alvin Pryor:

Precisely why? Because this Pattern Making (Portfolio Skills) is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will surprise you with the secret it inside. Reading this book beside it was fantastic author who write the book in such wonderful way makes the content interior easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking way. So , still want to delay having that book? If I were being you I will go to the book store hurriedly.

Amanda Mathis:

Can you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you find out the inside because don't determine book by its protect may doesn't work this is difficult job because you are frightened that the inside maybe not since fantastic as in the outside appear likes. Maybe you answer can be Pattern Making (Portfolio Skills) why because the wonderful cover that make you consider regarding the content will not disappoint you. The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly show you to pick up this book.

Sandra Mendoza:

Many people spending their moment by playing outside together with friends, fun activity using family or just watching TV all day every day. You can have new activity to spend your whole day by reading through a book. Ugh, think reading a book can really hard because you have to bring the book everywhere? It okay you can have the e-book, getting everywhere you want in your Cell phone. Like Pattern Making (Portfolio Skills) which is having the e-book version. So , try out this book? Let's see.

Vivian Regan:

A lot of book has printed but it takes a different approach. You can get it by internet on social media. You can choose the best book for you, science, witty, novel, or whatever by searching from it. It is identified as of book Pattern Making (Portfolio Skills). You'll be able to your knowledge by it. Without leaving behind the printed book, it may add your knowledge and make you actually happier to read. It is most critical that, you must aware about e-book. It can bring you from one destination to other place.
