See who gets what, when, and how in American politics

Politics in America examines the core foundations, institutions, behaviors, and policies of the American political system. The text views politics as a competition for resources. It encourages students to personally evaluate government's impact by raising controversial issues, dissecting the conflicts behind them, and asking what it means for democracy. Often feisty and always stimulating, *Politics in America* engages students in a frank exploration of political power and encourages them to be involved in public affairs.

This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues. Political Explorer lets students play the role of a political scientist by investigating issues through interactive data. Core Concept videos discuss the big ideas in each chapter and apply them to key political issues. Simulations allow students to experience how political leaders make decisions.
