Sometimes the thing we need the most is the last thing we expected...

When **Cecilia Barnes** closes her eyes and envisions her dream job at an exclusive accounting firm, thoughts of corner offices on the top floor of a high-rise, modern furniture, and a bustling team of assistants are what she pictures. That dream collides with reality when she's entangled in a coworker's malicious plan and her professional reputation is ruined. Bills pile up, and things take a turn for the worst after yet another employment rejection.

Luckily for her, there's one place that needs an accountant almost as desperately as she needs a job: A ranch an hour away from the city, left in dire straits after their last accountant retired.

Ranch owner **Jack Mayhew** is exactly the type of man Cecilia never thought she would fall for. He's rough and tough, but undeniably gorgeous and every inch a good ol' country boy. She questions whether or not she'll be a good fit at the ranch, and things take a turn for the worse when Jack's psychotic ex-girlfriend enters the picture.

Cecelia finds herself falling deeper and deeper under Jack's spell, but can they survive a crazy ranch, a crazier ex-girlfriend, and realize that the thing they need the most is actually right in front of them?

" Southern Charm " is a standalone steamy romance with HEA.
