The Diabolist (The Dominic Grey Series) Layton Green

In this gripping thriller, the bizarre murder of a cult leader in San Francisco draws Dominic Grey and Viktor Radek, private investigators of mysterious phenomena, to the scene. Witnesses claim a robed figure, seemingly able to appear and disappear at will, set fire to the priest. When the leader of another cult in Paris dies under similar circumstances, the case only grows stranger... and more dangerous.

Convinced that a charismatic New Age prophet is behind the murders, the investigators undergo a perilous journey into the world of the occult as they try to penetrate the prophet's inner circle. From the catacombs of Paris to London's nefarious East End, from the haunted walls of York to a monastic fortress in the Sicilian wilderness, the case plunges Viktor and Grey into a vortex of black magic, ancient heresies, and the dark corners of their own pasts.

The Diabolist is a chilling novel that not only pulsates with action and suspense, but also mines a trove of fascinating historical, philosophical, and paranormal research to probe some of our closest held beliefs. From the opening pages to the astonishing conclusion, this latest installment in one of today's most original new thriller series is not to be missed.
