Johann Wolfgang von Goethe

The Sorrows of Young Werther, Elective Affinities, and Novella (Goethe: The Collected Works, Vol. 11) Johann Wolfgang von Goethe

Containing three of Goethe's major prose works, this volume explores a range of themes: unfulfilled love, infidelity, divorce, tragic love, fantasy, and moral rebirth. One of Goethe's best known works, *The Sorrows of Young Werther*, explores the extremes of the subjective experience through the novel's depiction of a sensitive young man caught up in a love impossible to fulfill. In *Elective Affinities*, a novel of tragic love, Goethe employs all the requisites of sentimental romance to give a deeply ironic perspective to the idea of love. As the title indicates, *Novella* examines the possibilities inherent in this genre.
