The Way Life Should Be: A Novel Christina Baker Kline

From the #1 *New York Times* bestselling author of *Orphan Train*, and the critically acclaimed author of *Bird in Hand*, comes a novel of love, risk, and self-discovery—includes a special PS section featuring insights, interviews, and more.

Angela can feel the clock ticking. She is single in New York City, stuck in a job she doesn't want and a life that seems to have, somehow, just happened. She inherited a flair for Italian cooking from her grandmother, but she never seems to have the time for it—these days, her oven holds only sweaters. Tacked to her office bulletin board is a photo from a magazine of a tidy cottage on the coast of Maine—a charming reminder of a life that could be hers, if she could only muster the courage to go after it.

On a hope and a chance, Angela decides to pack it all up and move to Maine, finding the nudge she needs in the dating profile of a handsome sailor who loves dogs and Italian food. But her new home isn't quite matching up with the fantasy. Far from everything familiar, Angela begins to rebuild her life from the ground up. Working at a local coffeehouse, she begins to discover the pleasures and secrets of her new small-town community and, in the process, realizes there's really no such thing as the way life *should* be.

From reader reviews:

Roy Myers:

What do you concentrate on book? It is just for students as they are still students or the idea for all people in the world, exactly what the best subject for that? Just you can be answered for that question above. Every person has several personality and hobby per other. Don't to be compelled someone or something that they don't desire do that. You must know how great in addition to important the book *The Way Life Should Be: A Novel*. All type of book is it possible to see on many methods. You can look for the internet resources or other social media.

Michael Due:

A lot of people always spent their very own free time to vacation or maybe go to the outside with them household or their friend. Do you know? Many a lot of people spent these people free time just watching TV, or playing video games all day long. If you want to try to find a new activity that's look different you can read some sort of book. It is really fun for you personally. If you enjoy the book which you read you can spent all day every day to reading a reserve. The book *The Way Life Should Be: A Novel* it is rather good to read. There are a lot of people who recommended this book. These were enjoying reading this book. In case you did not have enough space to bring this book you can buy the actual e-book. You can m0ore simply to read this book from your smart phone. The price is not very costly but this book features high quality.

Elda Ornelas:

Are you kind of stressful person, only have 10 or maybe 15 minute in your day to upgrading your mind ability or thinking skill even analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your short period of time to read it because all of this time you only find e-book that need more time to be examine. *The Way Life Should Be: A Novel* can be your answer because it can be read by a person who have those short free time problems.

Alva Stephenson:

This *The Way Life Should Be: A Novel* is brand new way for you who has attention to look for some information mainly because it relief your hunger info. Getting deeper you into it getting knowledge more you know or perhaps you who still having little bit of digest in reading this *The Way Life Should Be: A Novel* can be the light food for you because the information inside that book is easy to get by anyone. These books produce itself in the form which is reachable by anyone, that's why I mean in the e-book application form.
