## **The Intuitive Investor: A radical guide for manifesting wealth** Jason Apollo Voss

On October 21, 2004 Jason Apollo Voss had a true epiphany: there was going to be a near-collapse on Wall Street and he should retire to exclusively pursue a spiritual practice. In electing to honor his vision he gave up a career in which the mutual fund he co-managed bested the NASDAQ by 77.0%, the S&P 500 by 49.1%, and the DJIA by 34.9%. Most of this success came from a detailed, scientific understanding of the right brain and its capacity for creative and intuitive thought. These secrets and their real world application are the specific focus and passion of the Intuitive Investor. Much more than just a book about investing, The Intuitive Investor is also a guide to healthy, mindful living. Scarcely have money, mind and spirit been brought together so potently.
