**Traditional Institutions and Public Administration in Democratic Africa: Revised Edition** PhD, Kwame Badu Antwi-Boasiako, MBA, Okyere Bonna

Traditional Institutions and Public Administration in Democratic Africa tackles the most pressing contemporary administrative issues of Africa. The first chapter opens with a thorough discussion on neo-colonialism in Africa. It questions the authenticity of African democracy as it points out the presence of groups and individuals who exploit African resources to their advantage. The chains of colonialism have perpetually defeated democracy in Africa and the former oppressors continue to financially and politically control their former colonies. The authors probe into the traditional institutions as well as the functions of the government to explain the political status quo of Africa. It emphasizes the negative impact of adhering to democratic structures that impair the positive practices and values of the traditional African administrative culture. An eye-opener, Traditional Institutions and Public Administration in Democratic Africa boldly exposes revolutionary views that challenge and defy democracy in Africa.
