This book contains the key for creating beauty within oneself through diet and other complementary factors. Though it explores the role of yoga, beauty sleep, and the psychology of beauty, this book is primarily about the way to eat for beauty. With scientific explanations of the human body's chemical reactions to various elements of nutrition, physical activity and sleep, this book provides a guide for how to reach your potential for beauty. More than 30 gourmet "beauty recipes" and in-depth descriptions of beneficial foods help to steer beauty-seekers down the path of aesthetic enlightenment. The magical, beautifying secrets held within this book will help the human race reclaim one of its most divine attributes: beauty, inside and out.
