This book is published in the Kindle format with the written permission of Gladys "Heffren" Krueger, the current copyright holder.

It has additional materials in it such as a Foreword and a section entitled "About the Author." This last section contains new photographs of the author and his wife.

This book is primarily written for a study guide. It is meant to be read along with the Bible so that comparisons may be made throughout. It does not attempt to cover the entire subject but it is hoped that what is written can be readily understood by the beginner and at the same time interest those who are better acquainted with the Bible. It is our earnest prayer that this book may contribute toward a better understanding of the kingdom of God and a greater reverence and appreciation of the Messiah as He is presented in the Word of God.
