Three tales of tantalizing tables-turning transformations

Innocent Cindi aches for more, but will she dare take the strange pill her exotic friend offers, and could it plunge her IQ, unleash her libido and add a rocket to her socket?

Sandy is the perfect man for every beautiful woman's friendzone, until three devilish minxes give him the pill that *really* makes him one of the girls, and has just the opposite effect on them. Just how wild can these four get, playing 'who's got a what in who'?

Big Black Billionaire Barabas' loss is Monica's gain, and she's more than eager to take charge. Will Monica turn the tables, will her new cockiness beat him for a pussy and through the backdoor?
