Deborah Nolan, Duncan Temple Lang

Data Science in R: A Case Studies Approach to Computational Reasoning and Problem Solving (Chapman & Hall/CRC The R Series) Deborah Nolan, Duncan Temple Lang

Effectively Access, Transform, Manipulate, Visualize, and Reason about Data and Computation

Data Science in R: A Case Studies Approach to Computational Reasoning and Problem Solving

illustrates the details involved in solving real computational problems encountered in data analysis. It reveals the dynamic and iterative process by which data analysts approach a problem and reason about different ways of implementing solutions.

The book's collection of projects, comprehensive sample solutions, and follow-up exercises encompass practical topics pertaining to data processing, including:

- Non-standard, complex data formats, such as robot logs and email messages
- Text processing and regular expressions
- Newer technologies, such as Web scraping, Web services, Keyhole Markup Language (KML), and Google Earth
- Statistical methods, such as classification trees, k-nearest neighbors, and naïve Bayes
- Visualization and exploratory data analysis
- Relational databases and Structured Query Language (SQL)
- Simulation
- Algorithm implementation
- Large data and efficiency

Suitable for self-study or as supplementary reading in a statistical computing course, the book enables instructors to incorporate interesting problems into their courses so that students gain valuable experience and data science skills. Students learn how to acquire and work with unstructured or semistructured data as well as how to narrow down and carefully frame the questions of interest about the data.

Blending computational details with statistical and data analysis concepts, this book provides readers with an understanding of how professional data scientists think about daily computational tasks. It will improve readers' computational reasoning of real-world data analyses.

From reader reviews:

Laverne Jackson:

Now a day individuals who Living in the era where everything reachable by connect with the internet and the resources inside can be true or not require people to be aware of each details they get. How people have to be smart in having any information nowadays? Of course the answer is reading a book. Reading through a book can help individuals out of this uncertainty Information especially this Data Science in R: A Case Studies Approach to Computational Reasoning and Problem Solving (Chapman & Hall/CRC The R Series) book since this book offers you rich info and knowledge. Of course the data in this book hundred percent guarantees there is no doubt in it everbody knows.

Joel Connolly:

The book untitled Data Science in R: A Case Studies Approach to Computational Reasoning and Problem Solving (Chapman & Hall/CRC The R Series) contain a lot of information on it. The writer explains the girl idea with easy approach. The language is very simple to implement all the people, so do definitely not worry, you can easy to read it. The book was written by famous author. The author will bring you in the new era of literary works. You can read this book because you can read on your smart phone, or product, so you can read the book throughout anywhere and anytime. In a situation you wish to purchase the e-book, you can start their official web-site as well as order it. Have a nice go through.

Glenn Stops:

This Data Science in R: A Case Studies Approach to Computational Reasoning and Problem Solving (Chapman & Hall/CRC The R Series) is new way for you who has attention to look for some information given it relief your hunger associated with. Getting deeper you into it getting knowledge more you know or else you who still having small amount of digest in reading this Data Science in R: A Case Studies Approach to Computational Reasoning and Problem Solving (Chapman & Hall/CRC The R Series) can be the light food for yourself because the information inside this book is easy to get by anyone. These books produce itself in the form that is certainly reachable by anyone, sure I mean in the e-book form. People who think that in e-book form make them feel tired even dizzy this publication is the answer. So there is not any in reading a book especially this one. You can find actually looking for. It should be here for a person. So , don't miss that! Just read this e-book style for your better life along with knowledge.

Sherri Ellison:

Do you like reading a reserve? Confuse to looking for your best book? Or your book seemed to be rare? Why so many issue for the book? But any people feel that they enjoy regarding reading. Some people likes examining, not only science book but in addition novel and Data Science in R: A Case Studies Approach to Computational Reasoning and Problem Solving (Chapman & Hall/CRC The R Series) or maybe others

sources were given expertise for you. After you know how the fantastic a book, you feel would like to read more and more. Science guide was created for teacher or perhaps students especially. Those books are helping them to bring their knowledge. In different case, beside science book, any other book likes Data Science in R: A Case Studies Approach to Computational Reasoning and Problem Solving (Chapman & Hall/CRC The R Series) to make your spare time far more colorful. Many types of book like this.
