## **Introducing Christian Education: Foundations for the Twenty-first Century**

Building on the success of his 1992 collection *Foundations of Ministry* (over 17,000 sold), Michael Anthony offers *Introducing Christian Education* to fill the need in the C.E. curriculum for an introductory foundations textbook--one that provides an overview and understanding of the broad range of subjects included in C.E.--for college and seminary use.

Thirty-one chapters are offered under the following sections: 1) Foundations of C.E.; 2) Developmental Perspectives of C.E.; 3) Educational Implications of C.E.; 4) Organization, Administration, and Leadership; 5) C.E. Applied to the Family; and 6) Specialized Ministries. Contributors include Robert Pazmiño, Jim Wilhoit, Julie Gorman, Klaus Issler, and Ted Ward.

FROM THE FOREWORD BY LESTER C. BLANK JR.

*Introducing Christian Education* will become a major resource text for church leaders and Christian education leaders who are professors of Christian education. It will be a valuable resource in my personal library. The desired outcome will be Psalm 78:72: "*He cared for them with a true heart and led them with skillful hands.*"
