Whether it be a church that is looking to add to a traditional music program or a church that is looking to start a nontraditional music ministry, *ReKindling Your Music Ministry* guides worship leaders to make an effective transition into a new music format for worship by reducing or better managing conflict. The key ingredient in a music ministry is to focus hearts on doing God's will--which is an excellent antidote to anxieties about entertainment and performance in worship.

*"I just finished reading your book ReKindling Your Music Ministry: A guide for congregations with multiple or alternative worship patterns and I enjoyed it very much and have learned several strategies that I hope to implement here in Longview. I love the rotational model. While I was in seminary, I was involved in starting a 'contemporary' worship service that employed three different bands. I wish I had known about your rotational model then!"*

-Joseph Stobaugh, Minister of Music, First United Methodist Church, Longview, Texas
