**The Civil War of 1812: American Citizens, British Subjects, Irish Rebels, & Indian Allies** Alan Taylor

In this vivid narrative, Pulitzer Prize–winning historian Alan Taylor tells the riveting story of a war that redefined North America.

In the early nineteenth century, Britons and Americans renewed their struggle over the legacy of the American Revolution. In this second confrontation, soldiers, immigrants, settlers, and Indians fought to determine the fate of a continent. Would revolutionary republicanism sweep the British from Canada? Or would the British contain, divide, and ruin the shaky republic? Moving beyond national histories to examine the lives of common men and women, *The Civil War of 1812* reveals an often brutal (sometimes comic) war and illuminates the tangled origins of the United States and Canada.
