The Year of Magical Thinking Playscript. Joan Didion Joan Didion

'This happened on December 30, 2003. That may seem a while ago but it won't when it happens to you...' In this adaptation of her award-winning, bestselling memoir, Joan Didion transforms the story of the sudden and unexpected loss of her husband and their only daughter into a stunning and powerful one-woman play. The first production of 'The Year of Magical Thinking', starring Vanessa Redgrave and directed by David Hare, was a runaway hit on Broadway in 2007. The same production is transferring to the National Theatre from April to July 2008.
