## **Tu cerebro manda (Spanish Edition)** John Medina

La mayoría de nosotros no sabe qué pasa dentro de nuestro cerebro. Por ejemplo, ¿sabías que todas las mentes humanas reaccionan positivamente ante una fotografía de la actriz Jennifer Aniston? ¿O que en los genes de Michael Jordan estaba escrito que jamás sería bueno en beisbol aunque fuera un astro del baloncesto? ¿Que es posible recordar todas las melodías de música clásica, pero olvidar cómo atar las agujetas?

Este libro es una recopilación de las doce reglas según las cuales funciona el cerebro humano, y cómo al entenderlas es posible aplicar ideas revolucionarias que mejoran nuestra vida diaria. El doctor John Medina explica cómo la ciencia de la mente humana puede transformar la manera en la que criamos a nuestros hijos o educamos a nuestros alumnos.

Las historias fascinantes que aparecen en Tu cerebro manda y el sentido del humor con que se relatan cambiarán por completo la manera de usar tu mente. Descubrirás que cada cerebro tiene un cableado diferente, que nuestro cuerpo está diseñado para recorrer ¡20 kilómetros diarios!, que los recuerdos son volátiles y que el estrés puede minar nuestra capacidad de aprendizaje.

Cuando termines de leer este libro entenderás cómo funciona realmente tu cerebro y cómo puedes aprovecharlo al máximo.

The book makes you considerably more confidence because you can know every thing by the book. So , we should make new experience and also knowledge with this book.

#### **Richard Stratton:**

Nowadays reading books are more than want or need but also work as a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The data you get based on what kind of publication you read, if you want get more knowledge just go with education books but if you want sense happy read one using theme for entertaining for example comic or novel. The actual Tu cerebro manda (Spanish Edition) is kind of e-book which is giving the reader unpredictable experience.

#### **Frances Smith:**

Don't be worry should you be afraid that this book may filled the space in your house, you may have it in e-book approach, more simple and reachable. This kind of Tu cerebro manda (Spanish Edition) can give you a lot of friends because by you investigating this one book you have matter that they don't and make an individual more like an interesting person. This specific book can be one of one step for you to get success. This reserve offer you information that probably your friend doesn't know, by knowing more than additional make you to be great persons. So , why hesitate? Let's have Tu cerebro manda (Spanish Edition).

#### **Lisa Mercado:**

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Tu cerebro manda (Spanish Edition) can make you truly feel more interested to read.
