Billionaire Desires is a standalone short story with no cliffhangers.

Bradford Montgomery is more than your average playboy billionaire — he's THE playboy billionaire. No one can throw a party like he can, and women line up just to touch him. Known for his predilection for having every man's dream of two women at one time, only one woman is bold enough to challenge him and make her own demands.

Suzanna Reagan is from Barcelona and as bold as they come. She knows exactly what she wants and will not settle for anything less. Bradford obsesses over Suzanna because she is the only woman who is not chasing him.

How dare this silly woman tell him 'no'?

Suzanna approaches him with an offer that does not quite sit well with him. She wants a threesome with Bradford and her favorite boy toy, Carlos. Bradford finds himself is jealous over Carlos and in that moment, he discovers his own feelings for Suzanna.

When Bradford finds that Carlos has found himself in a predicament, will he swoop in to save the day for Suzanna's sake or will he remain the hard-nosed billionaire playboy he has always been and let them figure it out on their own?
