No need for a second opinion--this collection is a healthy dose of funny.

New Yorker cartoonist Leo Cullum found a different way to beat colon cancer: by creating cartoons that poked fun at the medical industry with his all-too-true medical-themed new work, *Suture Self*.

With observations like "It was a rare, but serious, side effect" and "This IS a second opinion. At first, I thought you had something else." you will literally split your sides.

This book should be in every doctor's office waiting room.

Laughter is the best medicine. No copay required.

* Includes over 100 medical-themed cartoons that will leave readers feeling great. This is a perfect get-well gift idea.

* More than 800 of Leo's cartoons have appeared in *The New Yorker* since 1977.

* Cullum's work has also appeared regularly in *Barrons* and the *Harvard Business Review*, and has been featured at the Brooklyn Museum of Art.

If I ended up you I will go to the book store hurriedly.

Elaine West:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring as well as

can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Suture Self: A Book of Medical Cartoons by New Yorker Cartoonist Leo Cullum can make you feel more interested to read.
