The Complete Fairy Tales (Oxford World's Classics)

Charles Perrault, Christopher Betts

The Complete Fairy Tales (Oxford World's Classics) Charles Perrault, Christopher Betts

The fairy tales of Perrault--stories that are known and loved around the world--are now available in this scintillating paperback edition, with twenty-six stunning illustrations by Gustave Doré. The superb translation by Christopher Betts exactly captures the tone and flavor of Perrault's world, and the delightful spirit of the originals. In addition to the classic prose tales--including *The Sleeping Beauty in the Wood*, *Little Red Riding-Hood*, *Bluebeard*, *Puss in Boots*, *Cinderella*, and *Hop o' my Thumb*--this new translation adds Perrault's tales in verse: a long poem on the subject of *Patient Griselda*; the notorious *Donkey-Skin*; and the comic *Three Silly Wishes*. Bett's introduction deftly illuminates why in Perrault's hands these humble fairy tales have such great imaginative power, showing how they transmute into vivid fantasies the hidden fears and conflicts by which children are affected--fears of abandonment, conflicts with siblings and parents--and resolve so satisfactorily the problems experienced by children while growing up. The volume also includes appendices on related tales and selected variants, a bibliography, chronology, and notes.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
