Apache Nation Dan Glover

Lost in the remote mountain ranges of New Mexico, the author relies upon both rational knowledge as well as intuition to survive as an intimate insight is gained into the travails of yesterday by living off the land much as the Apache warriors once did. Apache Nation lives on in the tales told over campfires deep inside forgotten mountain ranges that were once home to some of the fiercest warriors who ever walked the earth. From ancient myths to our modern day culture, Apache Nation explores the magic still existing in isolated places far from the haunts of humans.
