Douglas Groothuis

Christian Apologetics: A Comprehensive Case for Biblical Faith Douglas Groothuis

2012 *Christianity Today* Book Award of Merit winner! The Christian worldview proposes answers to the most enduring human questions. But are those answers reliable? In this systematic text, Douglas Groothuis makes a comprehensive apologetic case for Christian theism--proceeding from a defense of objective truth to a presentation of the key arguments for God from natural theology to a case for the credibility of Jesus, the incarnation and the resurrection. Throughout, Groothuis considers alternative views and how they fare intellectually.
