**King of Thorns (The Broken Empire)** Mark Lawrence

**The boy who would be king has gained the throne...**

At age nine, Prince Honourous Jorg Ancrath vowed to avenge his slaughtered mother and brother—and to punish his father for not doing so. At fifteen, he began to fulfill that vow. Now, at eighteen, he must fight for what he has taken by torture and treachery.

Haunted by the pain of his past, and plagued by nightmares of the atrocities he has committed, King Jorg is filled with rage. And even as his need for revenge continues to consume him, an overwhelming enemy force marches on his castle.

Jorg knows that he cannot win a fair fight. But he has found a long-hidden cache of ancient artifacts. Some might call them magic. Jorg is not certain—all he knows is that their secrets can be put to terrible use in the coming battle...
