Legal and Ethical Issues for Health Professionals, Third Edition provides the reader with a clear understanding of the law and ethics as it relates to health care dilemmas. The practical application of ethics in the health care setting is accomplished by interspersing the thoughts of great minds through Quotes and the real world of Newspaper Articles, patient experiences through People Stories, provider and organizational experiences through Reality Checks, and Legal Case Studies. This dynamic text concludes with a Closet Drama that ties all the elements of the text together in one case. Each new print textbook includes an online access code for a Companion Website with helpful student resources. Access to the Companion Website may be purchased separately.
