## Nursing and The Experience of Illness: Phenomenology in Practice

*Nursing and the Experience of Illness* encourages nurses to reflect on the experience of their patients, in order to improve their practice and to develop an individualised approach to care. Vivid case studies present real nursing encounters and offer a user-friendly model for independent research by the reader.

This accessible introduction to phenomenology for nurses explains what has become one of the most widely used qualitative research methods within healthcare and covers topics including:

- \*phenomenology in nursing
- \*critical illness and intensive care
- \*breast cancer and mastectomy
- \*living with schizophrenia.

Building on the work of key nursing theorist Patricia Benner, this readable way in to qualitative research in nursing will be suitable for both undergraduate and postgraduate nursing students.

#### **Alice Weaver:**

Spent a free a chance to be fun activity to complete! A lot of people spent their sparetime with their family, or their particular friends. Usually they doing activity like watching television, planning to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Might be reading a book can be option to fill your free time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to try out look for book, may be the publication untitled Nursing and The Experience of Illness: Phenomenology in Practice can be great book to read. May be it may be best activity to you.

#### **Katrina Hering:**

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Nursing and The Experience of Illness: Phenomenology in Practice can make you sense more interested to read.
