Playing to Win: Becoming the Champion David Sirlin

Winning at competitive games requires a results-oriented mindset that many players are simply not willing to adopt. This book walks players through the entire process: how to choose a game and learn basic proficiency, how to break through the mental barriers that hold most players back, and how to handle the issues that top players face. It also includes a complete analysis of Sun Tzu's book *The Art of War* and its applications to games of today. These foundational concepts apply to virtually all competitive games, and even have some application to "real life." Trade paperback. 142 pages.
