## **Scriptural Interpretation: A Theological Exploration** Darren Sarisky

In *Scriptural Interpretation*, Sarisky brilliantly draws together Patristic Theology and a theological interpretation of Scripture in the modern day, to examine Scripture's central place in the life of the Church and ordinary believers.

- Examines the importance of scriptural interpretation in the life of Christians and of the church
- Draws together two lively discussions: a study of the theology of the Cappadocian fathers, and a discussion of theological interpretation of Scripture in the twentieth and twenty-first centuries
- Covers an impressive historical range, from Basil of Caesarea right up to the work of the major contemporary thinkers, Stanley Hauerwas and Rowan Williams
- Offers a sophisticated understanding of many Patristic thinkers – an area of huge current interest in the field – and challenges accepted readings of the theology of Basil of Caesarea
