**Escalofríos HorrorLandia #8: Sonríe y ¡muérete chillando!: (Spanish language edition of Goosebumps HorrorLand #8: Say Cheese - and Die Screaming!) (Spanish Edition) R.L. Stine**

It's a whole new ride from master of fright and bestselling author R.L. Stine--with a story so fiendish that it can't be contained in just one book!

A picture is worth a thousand screams-if it's taken with an evil camera that has a nasty vision of the future. Julie's future doesn't look pretty. And neither does anyone else's after they're caught in her lens! Things start looking up when Julie gets to HorrorLand. That is, until she starts falling down...into the Tunnel of Screams.

Una foto puede resultar aterradora si se toma con una cámara malvada que muestra una visión funesta del futuro. El futuro de Julie no parece muy alentador, y tampoco el de ninguna otra persona que haya sido capturada por el lente de esa cámara. Las cosas se ponen peor cuando Julie llega a HorrorLandia y desciende por el Túnel del Horror.
